1.	Find the your answer in the WORD
	Example: By His stripes I am healed

2.	Take authority over the situation.
	Example: I command the spirit of cancer to leave.

3.	Speak the Word to the situation.
	Example: I speak a new liver into our body.

4.	Do something you couldn't do before.
	Where is the pain? Bend over and touch your toes.
