

Check Box Your Faith

Kingdom Keys to Setting Your Faith in Place by Robin Bremer.net

EYES- PROTECT YOUR EYES AND THOUGHTS

- Do not imagine the situation getting worse.
- Do not imagine all that could go wrong.
- Do not imagine what you will do if the situation does not change.
- Imagine the outcome that agrees with God's word.
- Imagine how much God loves you- How would that look?
- Imagine what you will do when the situation changes for the better.

EARS—PROTECT YOUR EARS

- Do NOT listen to your “friends” similar stories
- Do not re-tell the situation to your friends
- Do not allow friends to talk to you negative about the situation.
- Do NOT listen to stories, “ I knew someone who had.... happen” advice
- Read the answer in the Word OUTLOUD as many times a day as you have to.
- Play a tape,DVD,CD or Audio book about the subject whenever possible.

MOUTH- DIRECT & DECREE WITH YOUR MOUTH

- AGREE with the Word on the ANSWER not the problem OUT LOUD!
- AGREE with a friend on the Answer- out loud
- Rehearse the answer out loud. Shut up if you have a problem saying only the word
- SPEAK ONLY the word (truth) even if the facts disagree
- Don't allow your friends to speak the negative in your presence.

WHAT TO DO WHILE YOU WAIT

- Obey your doctor, take all medicines but stay in faith and do NOT speak negative
- Look EXPECTANTLY for the answer.
- Pray in tongues and expect the Holy Spirit your helper to show you instructions.
- Thank God for the answer
